CORE VALUES:-

Professionalism:-We aspire to the concepts of trust, integrity, respect, and accountability in the performance of our responsibilities. We will always be aware of our image and role within the institution. We will use our skills, training, and knowledge to serve our community.

Duty – We will do our duty to the best of our ability. The welfare, security & safety of our students and community members are our top priority.

Accountability and Trust: We will meet with the high standards. Work with positive attitudes, assume responsibility, and be accountable for our behaviors, decisions and actions. We accept full responsibility for our actions and will take appropriate measures to meet community and professional expectations. We value the trust, respect and support of our community, which must be earned and safeguarded at all times.

Teamwork:-We will achieve success through cooperation, partnership, and teamwork. Only through internal and external cooperation can we accomplish our mission.

Communication:-We encourage involvement at all levels and provide information through clear and open communication and objectivity. We encourage feedback and active participation in problem solving and resolution. We will always listen to the needs and the concerns of our community and follow through to make sure those needs and concerns are addressed.

Service – We will respond immediately to all calls for service, both routine and emergency in nature.

Respect – We will treat everyone we encounter with respect and dignity.

Responsibility:-We will take full responsibility for our actions and be accountable for the services that we provide to ensure the safety and security of faculty, staff and students.

Training:-We believe that proper training is integral to a well functioning professional organization. Learning and advancing competency are essential to our growth as individuals and as an organization. We will provide whatever is necessary to grow personally and professionally.

Innovation:-We recognize that the “status quo” will not allow us to grow as an organization. We must confront and embrace change, and actively seek new and better ways to fulfill our mission.

Decision Making:-We believe in using our best judgment in our work and in making decisions based upon objective research and analysis.

Service to our students and community:-We believe in providing quality services in a timely and professional manner. We are service driven, partnership-oriented, and we strive for excellence. We endeavor to provide services in a fair, friendly and respectful manner, sincerely caring for the welfare of people. We demonstrate our commitment to serve by placing the needs of the community ahead of our own. All of our actions, initiatives and services are created and maintained with service to our community at their core.

Integrity: - We will hold ourselves to the highest standard of truth. Our word is based on our bond and our behavior is above reproach. We hold all division personnel to the highest ethical standards at all times. Integrity is not negotiable.

Loyalty – We will always remain loyal to those we serve: the entire Hindustan as well as our glorious institute and its Community.

Diversity, Equity and Inclusion:-We value and are dedicated to respecting differences, equitable practices and intentional inclusion to create an environment where our community feels welcomed and safe.

Excellence and Professionalism:-We exceed the expectations of our community through a dedication to excellence in professional and organizational development.

Prevent harm against persons:-We will vigorously work toward eliminating physical harm against persons, students and women's by identifying threats and vulnerabilities and implementing risk reduction strategies.

Protect assets:-We will be vigilant in preventing loss and damage to our institute as well as intellectual property.

Ensure compliance:-We will ensure policies; practices and operations meet the highest ethical and equitable standards, requirements, credentials and licensing.

Improving quality of life:-We will proactively engage with our community, while providing responsive, professional and compassionate service that improves quality of life.
