

How to get password reset

To get password of email-id in the Institute domain (nitrr.ac.in) reset , please download and fill up the form given at <http://nitrr.ac.in/mail.php> and get it forwarded by concerned head and then send to Head, Central Computer Center.

As password reset is not a regular matter and also sensitive, so only hard copy of the form will be accepted

Note1: Please write correct email-id (non-NIT Raipur) and mobile number where reset password will be sent.
