To Whomsoever It May Concern

In NIT Raipur, academic performance of students is evaluated through SPI/CPI based on a 10 point scale and at present there is no rule to convert the CPI into percentage. However, notionally the CPI may be multiplied by a factor of 10 to obtain numerical percentage for the purpose of comparison.

The above is applicable to the students admitted in B.Tech./B.Arch. program of the institute in the year 2012 or later.
