**RGNIYD Sponsored
Short Term Training Program (STTP) on**

***“Enhancing Personality & Employability
amongst Youth”***

From 24th to 28th February 2023

**Organized by
Department of Humanities and Social
Sciences, NIT Raipur**

**National Institute of Technology
Raipur-492 010 (Chhattisgarh)**

About the Institute:

National Institute of Technology Raipur situated in the capital of Chhattisgarh, has proven to be 'avant-grade' in the field of science and technology over past few decades in this region. With sweet memory of foundation ceremony by our President Hon'ble Dr. Rajendra Prasad on 14th September 1956. the institute started with two departments namely Metallurgical and Mining Engineering. Later the inauguration of the Institute building was done by our Prime Minister Hon'ble Pt. Jawahar Lal Nehru on 14th March 1963. From 1st December 2005, the institute has become the National Institute of Technology. It is well connected with Mumbai, Delhi and all metro cities by regular flights and is on the main Howrah-Mumbai railway route. The institute is 5 km from the Raipur railways station and 18 km from airport on NH-6, the Great Eastern Road.

About Department:

The Department of Humanities and Social Sciences has been functioning as a department catering to both undergraduate and postgraduate students since 2008. The faculty has wide experience in teaching and research and in communicating with students of diverse background and of widely differing abilities. The students understand that today's challenges are global and interdisciplinary; and they are required to reflect more social responsibility, flexibility, resourcefulness and creativity. The courses taught to try to inculcate social responsibility, flexibility, resourcefulness and creativity and much more. The Department offers full-time PhD programme in the disciplines of English, linguistics and sociology.

Venue:

Department of Humanities & Social Sciences
NIT Raipur (CG) – 492 010, INDIA

Objectives:

The workshop aims to familiarize participants with the emerging ideas and trends on how to develop personality and employability in the 21st century contexts. It aims to enhance their communication skills and interpersonal skills in order to act in professional and social settings effectively; to enrich the academic language skills (writing and presentation skills) for academic writing and presentations; to understand research mannerism and information tools; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself (self appraisal and introspection) for further growth, personally and professionally.

Theme and Scope:

Personality influences and impacts the functioning of an individual and organizations. The fact that humans are social is determined by individual as well as collective contexts. Understanding one's own personality and nurturing it well enables one to be a fine human being and a successful professional. Professionals need to learn how to cope with the problems and face the hardships. At the same time they need research aptitude to enhance their careers to become true professionals and contributing citizens. Higher education is to enable young adults to understand the world in the liberal sense and to take forward it for the better.

Topics to be covered:

This STTP will help you learn the foundations of personality development, understand how to build a strong personality, and learn how to lead successful professional and personal life. Keeping this in mind, we propose the following topics (but not limited) to be discussed during the short term programme.

- Concepts of personality development etc.
- Deep traits and aspects of personality: self-esteem, self-image, social image etc.
- Interactive Session on using time management, self-management, research skills and citation tools.
- Professional writing and presentation skills Experts from IIT, NIT and other reputed organizations will be delivering the lectures and conduct hands-on sessions.

Target Participants:

- UG/PG Students/ Research Scholars

Registration Fee Details (in INR):

Participants	Amount (in Rs)
UG/PG Students	NIL
Research Scholars	NIL

Application in the prescribed format must reach the coordinator on or before 23rd February 2023. Certificates will be issued to the participants only after attending the complete course.
