About Us

National Institute of Technology, Raipur (Formerly Government Engineering College Raipur), situated in the capital of a newly incepted state of Chhattisgarh,

has proven to be avant-grade in the field of science and technology over past few decades in this region. With sweet memory of foundation ceremony by our president Hon'ble Dr. Rajendra Prasad on 14th September 1956. The institute started with two departments namely Metallurgical and Mining Engineering. Later the inauguration of the institute building was done by our Prime Minister Hon'ble Pt.

Jawahar Lal Nehru on 14th March 1963. From 1st December 2005, the institute has become the National Institute of Technology. It is well connected with Mumbai, Delhi, Hyderabad, Kolkata, Bhopal, Ahmedabad, Bangalore, Chennai and Chandigarh by regular flights and railway routes.

The Department of Information Technology came into existence in 2000. The department is the study, research and work place of 300 people from 28 states across India. About 15 professors in this department teach mainly in areas like Information Science & Technology, Computer Science & engineering, system-oriented sciences, and mathematics, etc., carry out research in their respective fields.
