

CIRCULAR

We are planning to arrange all even semester supplementary examination in July 2014 instead of November – December 2014. This plan is presently at the proposal stage and will be finalized once it is approved by the senate. Senate meeting is expected in the third week of May 2014.

All the students are advised to visit institute website regularly to make themselves update about this. It is again repeated that if senate approve, we will conduct all even semester supplementary examination in July 2014 and not in November 2014. After approval of the senate, detailed schedule of examination will be uploaded in the institute website.
