PhD Semester Registration – Autumn 2021

1. The registration of PhD scholars in Autumn 2021 semester shall be opened from 30.07.2021 to 08.08.2021. If the progress seminar has not yet been conducted, the same can be conducted by 13.08.2021 in online mode as was being done since last few semesters. Registration with late fees (INR 100/- per day) can be done up to 15.08.2021.
2. Looking to the closure of the institute due to second wave of COVID-19 and as resolved in the 43rd Senate meeting held on 02.07.2021, the evaluation of the course work of PhD programme shall be carried out online. The modalities of online continuous evaluation comprise of 4 components as follows:
 - i. The first component of continuous evaluation is in form of either Term paper or Term project or Conference paper (Indexed) submitted individually by each student in consultation with the subject teacher for each course work. A term paper shall be a report/solution to practical/analytical problems/topics based on the syllabus covered by the faculty member/advanced topic of the related course work which shall have to be submitted by the end of the semester as decided by the concerned teacher.
 - ii. The second component of continuous evaluation is MCQ Quizzes having time bound submission in Google classroom/any other LMS. In case a student fails to submit it within the stipulated time, then his/her marks may be reduced accordingly.
 - iii. The third mode of assessment is End Semester Examination (Digital Mode) of 3 hours.
 - iv. The fourth mode of assessment is PPT presentation/Viva-Voce/Assignment submission (within one working day) at the end of the semester of the theory subject.The schedule and mark distribution for continuous evaluation for PhD course work are as below:

Components for Theory subjects	Term Paper / Term Project / Conference Paper (indexed)	MCQ Quizzes (1 week)	End Semester Exam. (Digital Mode) (1 Day)	PPT presentation & Viva-voce (2 weeks)
Time period	2 – 2 1/2 months (to be submitted at the end of semester)	Distributed	At the end of semester	At the end of semester
Weightage of Marks	45 marks	30 marks	30 marks	25 marks
Total Marks	130 (which used to be 100+15+15)			

- a. The mode of teacher's assessment will remain the same as that of previous years.

This has to be followed even for the scholars admitted in January 2021, therefore their pending credits of course work due in January-June 2021 shall be transferred to July-December 2021 Semester. The evaluation will be made online after completing the modalities as given above.
