NOTICE

Admission in Spring Semester 2014 for all UG and PG students of NIT Raipur will be done as per the procedure given below. The admission process consists of two broad steps:-

1. Eligibility verification and challan generation.
2. Reporting and submission of fee payment proof.

Step 1 - Eligibility Verification and Challan Generation:

The process will be done as follows:-

- (i) Department will declare suitable date and time for this step. This step shall be completed preferably after the end semester theory examination but **it should be completed before vacation i.e. before 20th Dec 2013.**
- (ii) Students have to report to the department on the notified date and time along with their ID card.
- (iii) HODs or their representative faculty will generate challan from MIS after eligibility verification.
- (iv) Students will pay the required fee through challan by DD/Cash or State Bank Collect (earlier known as I-Collect). Students can now pay through State Bank Collect by using their Credit/Debit cards also. However, bank will charge an additional fee for using Credit/Debit cards. The charges may be confirmed from SBI. Challan is not essential if the payment is made through SBI-Collect. However, challan must be compulsorily generated and given to students for regular admission.
- (v) If the eligibility is not verified because the exam result is not declared then, students may be allowed provisional admission without fee. Such cases have to be regularised afterwards when results are declared.

Step 2 - Reporting and Submission of Fee Payment Proof:

- (i) Students have to fill up and submit admission form along with proof of fee payment. Separate form is available for UG, PG & MCA students. The form can be downloaded from the institute website.
- (ii) The date of submission of this is **02.01.2014**. After submitting it, students can start attending the classes on the same day.

No mark sheet or other documents is to be attached with this form. However, if the HOD has any doubt, he may ask for the documents.

- (iii) HODs may permit the students to attend the classes immediately after submitting admission form (with copy of fee payment receipt). The remaining MIS related entries like course registration etc. can be done by HOD afterwards.
