

ORDINANCES AND REGULATIONS
BACHELOR OF TECHNOLOGY (B.TECH.)
NATIONAL INSTITUTE OF TECHNOLOGY RAIPUR

Office of Dean Academics

NIT Raipur

CG, India, 492010

Extracted from

**“THE NATIONAL INSTITUTES OF TECHNOLOGY ACT, 2007,
No. 29 of 2007, Dated 5th June, 2007”**

Section 27, Page 7

Subject to the provisions of this Act and the Statutes, the Ordinances of every Institute may provide for all or any of the following matters, namely:—

- (a) The admission of the students to the Institute;
- (b) The courses of study to be laid down for all degrees and diplomas of the Institute;
- (c) The conditions under which students shall be admitted to the degree or diploma courses and to the examinations of the Institute, and shall be eligible for degrees and diplomas;
- (d) The conditions of award of the fellowships, scholarships, exhibitions, medals and prizes;
- (e) The conditions and mode of appointment and duties of examining bodies, examiners and moderators;
- (f) The conduct of examinations;
- (g) The maintenance of discipline among the students of the Institute; and
- (h) Any other matter which by this Act or the Statutes is to be or may be provided for by the Ordinances.

Ordinance: A local law, an edict or decree.

Regulation: A law or administrative rule, issued by an organization, used to guide or prescribe the conduct of members of that organization.

1. About the Institute

The National Institute of Technology Raipur (NIT Raipur) is a technical institution funded by the Government of India, located in Raipur, Chhattisgarh. Founded in 1956 as Govt. College of Mining & Metallurgy with two engineering disciplines, mining and metallurgy, the institute is one of the oldest of its kind in India. Currently it is one of the National Institutes of Technology, which have been accorded Institute of National Importance status by the National Institutes of Technology Act, 2007. National Institute of Technology, Raipur (NIT RR), upgraded from GEC Raipur in the year 2005, presently runs academic courses in 12 major disciplines in the form of graduate and post graduate courses. The Institute also inducts scholars for PhD courses. One of the biggest NIT, in the way of intake at UG level, has a legacy of more than 60 years of service to the nation.

Vision of the Institute:

To be a leader in technical and management education in India and to establish a unique identity for the development of high quality human and knowledge resource in diverse area of technology and management.

Mission of the Institute:

To Re-engineer the engineering education and to mould young students into rational thinking engineers who are motivated by a passion for professional excellence driven by human values and proactively engaged in betterment of society.

2. Preamble

- 2.1 The provisions in these regulations govern the conditions for imparting courses of instructions, conduction of examinations and evaluation of performance of students leading to B. Tech. degrees programs in National Institute of Technology Raipur (NITRR).
- 2.2 This ordinance supersedes all the previous ordinances, rules and regulations and are effective from the academic year 2019-2020 onwards.
- 2.3 The curriculum intends to provide broad based knowledge and simultaneously builds a temper for the lifelong process of learning and exploring. At undergraduate level, a student needs to do compulsory foundation courses in the areas of Humanities, Basic Sciences and social sciences apart from the departmental requirements. Departmental courses (core and electives) constitute minimum 50% of the total curriculum. Further, students are allowed open category electives to broaden inter-disciplinary knowledge base and to specialize in an area outside the parent discipline.
- 2.4 The medium of instruction in the Institute is English.
- 2.5 The Institute follows the semester system. An academic year runs from July through June next year and comprises of two semesters and two terms. The First semester (Autumn Semester) starts in the third week of July and ends in the middle of December, while, the second semester (Spring Semester) starts in first week of January and ends in the middle of May. This is followed immediately by the Summer Term starts which ends in the second week of July. The Winter Term starts around the third week of December.
- 2.6 The provisions of these regulations shall also be applicable to any new discipline that will be introduced from time to time and added to the list of Academic Programme.
- 2.7 Notwithstanding all that has been stated in the Regulations, Senate has the right to review and change the Regulations from time to time.
- 2.8 Any doubt or dispute arising about the interpretation of the Regulations shall be referred to the Chairperson Senate whose decision shall be the final decision.

3. Acronyms

S.No	Acronym	Full Form
1	AI	All India
2	B. Tech	Bachelor of Technology
3	CCB	Central Counseling Board
4	CFTIs	Centrally Funded Technical Institutes
5	CGPA	Cumulative Grade Point Average
6	CPI	Cumulative Performance Index
7	DAC	Departmental Academic Committee
8	DGC	Departmental Grievance Committee
9	EPR	Essential Program Requirements
10	ESE	End Semester Exam
11	FIR	First Information Report
12	GoI	Government of India
13	HOD	Head of the Department
14	IISc	Indian Institute of Science
15	IIT	Indian Institute of Technology
16	JEE	Joint Entrance Examination
17	L	Lecture
18	MHRD	Ministry of Human Resource Development
19	MIS	Management Information System
20	MOOCs	Massive Open Online Courses
21	MSE	Mid Semester Exam
22	NCC	National Cadet Corps
23	NIT	National Institute of Technology
24	NSS	National Service Scheme
25	OE	Open Elective
26	P	Practical
27	PC	Programme Core
28	PrC	Project Committee
29	PE	Programme Elective
30	PG	Post Graduation
31	PLR	Programme Laboratory Requirements
32	SPI	Semester Performance Index
33	T	Tutorial
34	TA	Teacher's Assessment
35	UFM	Unfair Means
36	UG	Under Graduation
37	UMC	Unfair Means Cases

4. Ordinance and Regulations (B. Tech. Programs)

4. A. Academic Programme

4. A.1. The B. Tech. Academic Programme comprises of the following disciplines in which the degrees are be offered:

- I. Bio Medical Engineering
- II. Bio Technology
- III. Chemical Engineering
- IV. Civil Engineering
- V. Computer Engineering
- VI. Electrical Engineering
- VII. Electronics and Communication Engineering
- VIII. Information Technology
- IX. Mechanical Engineering
- X. Metallurgical Engineering
- XI. Mining Engineering

4.B. Admission

4. B.1. The minimum qualification for admission to the first semester of B.Tech. Course shall normally be the passing of a Higher Secondary School Certificate exam (10+2) scheme with Physics, Chemistry and Mathematics conducted by recognized Board of Secondary Education or an equivalent exam of a recognized Board/University as per the instructions received from Ministry of Human Resource Development (MHRD), GoI from time to time.
4. B.2. Admission of Indian Nationals to the first semester of B.Tech. Course shall be through his relative performance in Joint Entrance Examination (JEE) leading to securing a place in merit list of eligible candidates and as governed by the rules of Central Counseling Board (CCB) time to time.
4. B.3. Direct admission of Foreign Nationals either residing in India or abroad or Indian nationals residing abroad to the first semester of B.Tech. Course shall be according to the policy guidelines laid down by the MHRD, Govt. of India/Board of Governors (BoG) of the Institute from time to time.
4. B.4. Students admitted to the B. Tech. Programmes shall normally pursue the Programme initially allocated to them at the time of admission. However, the Senate may permit a limited number of academically meritorious students as assessed by their performance in the Institute for first two regular semesters, to change their Programme. Any such change of Programme shall be as per the "Change of Branch Rules (Branch Sliding)" as given in the Annexure -1 of this document.
4. B.5. Every student, admitted provisionally or otherwise to the UG Programme of the Institute, shall submit copies of the qualifying degree/provisional certificate and such other documents within the stipulated date as prescribed by the Senate failing which may lead to cancellation of the admission of the student by the Senate.
4. B.6. If, any time after admission, it is found that a candidate had not in fact fulfilled all the requirements stipulated in the offer of admission, in any form what so ever, including possible misinformation etc., the Dean-Academic shall report the matter to the Senate recommending for cancelling the admission of the candidate. The decision of the Senate, regarding the above, is final and binding.

4. B.7. The institute reserves the right to cancel the admission of any student and ask him/her to discontinue his/her studies at any stage of his/her career on the grounds of indiscipline or any misconduct. The decision of the Senate, regarding the above, is final and binding.
4. B.8. Candidates must fulfil the medical standards required for admission as prescribed by MHRD (GoI) from time to time.

4. C. Academic Calendar

4. C.1. The Academic Session shall commence in the month of July each year. Each Academic Session shall consist of two regular semesters, Autumn (Odd) and Spring (Even) apart from vacations, and mid-semester breaks, if any. Each regular semester shall normally consist of about **eighteen (18)** weeks including examination period.
4. C.2. The exact dates for the important academic events scheduled during the Academic Session shall be specified in the Academic Calendar.
4. C.3. The Academic Calendar, or any change therein during the session, shall require prior approval of the Senate/ Chairman, Senate.

4. D. Registration

4. D.1. Every student of B. Tech program is required to be present and register at the commencement of each semester on the date fixed and notified in the Academic calendar. Registration process will have three components.
 4. D.1.1. Physical presence of the student on the first day of semester.
 4. D.1.2. Payment of semester fees including any unpaid dues of past semesters, and
 4. D.1.3. Getting enrolled/registered in the courses approved by the Departmental Academic Committee (DAC) of the department. Constitution of DAC/DGC is given in Annexure – II.
4. D.2. Percentage attendance for all students will be counted from the date of commencement of the semester, irrespective of his/her date of registration.

However, for First year students in first semester, attendance will be counted from date of admission into the Institute or date of commencement of class work, whichever is later.
4. D.3. A student who does not register on the day announced for the purpose may be permitted by Dean Academics in consideration of any compelling reasons for late registration within next one week on payment of additional late fee as prescribed by the Institute from time to time. Normally, no late registration beyond one week from the scheduled date of registration shall be allowed.
4. D.4. After registration in each semester, each student should collect a registration sheet, which indicates the courses registered by him/her in that semester, signed by the faculty advisor/Head of the Department (HOD). The student should carry this registration sheet for all the examinations in that semester. This sheet shall serve the purpose of hall ticket for appearing for the examinations in that semester.
4. D.5. Only those students will be permitted to register who have
 4. D.5.1. Cleared all the institute and hostel dues of the previous semesters,
 4. D.5.2. Paid all required fees of the current semester,

- 4. D.5.3. Not been debarred from registering for a specified period on disciplinary or any other ground
- 4. D.5.4. Not been struck off from the rolls of the institute.
- 4. D.6. Except in 1st semester the tuition fees etc. will be paid semester wise and not year wise.
- 4. D.7. The classes of all semesters will start from the day following the registration or any other day as decided by the institute authorities/mentioned in the Academic Calendar.
- 4. D.8. Students may register subject(s) (up to a maximum of 30 credits in a semester) with the concurrence of the Head of the Department under intimation to the concerned course instructors and the academic section provided this is done within the date mentioned in the academic calendar. An elective course will normally be offered only if there is a minimum registration of 20 students. To accommodate faster learning, students may be allowed to register for subjects of the higher semester up to four credits, the suitability and feasibility of the same should be approved by the DAC. For registering courses of higher semester, the student should possess a CPI of 8 or higher, without any backlog.
- 4. D.9. If a student finds his/her load heavy in any semester, or for any other valid reason, he/she can drop some courses within three weeks from the commencement of the class work in the semester with the written approval of his/her Faculty Advisor and Head of the Department, with an intimation to Dean-Academic. In such circumstances, the student shall not be eligible for the award of Distinction even if she/he secures a CPI of 8.5 and satisfies the other requisite criterion as per rule 4.H.8. Elective courses may normally be changed within a week from the commencement of classes.
- 4. D.10. Backlog subjects means subjects from the previous semesters with 'F' grade. A student can appear for supplementary examination in the backlog subject/s as and when it is conducted. In case a student fails in the supplementary examination too then he/she has to register for a backlog subject whenever it is offered. His/her previous marks/grades will be cancelled and she/he will have to attend all classes and examinations as and when they are conducted. Major changes in the time table shall not be entertained to accommodate backlog students.
- 4. D.11. A student must register for the backlog courses first giving priority to the oldest backlogs. [The students will register by default for backlog courses being offered in a particular semester]. The maximum credits (including backlog courses) that a student can register in a semester is 30. However, students whose branch has been changed (as per Annexure I) in third semesters, can register for four more credits over the ceiling of 30 in third and fourth semesters, only for passing the branch specific subject as per the requirement of the new branch.

4. E. Structure of Programme

- 4. E.1. The normal duration of the course leading to B. Tech. degree will be eight semesters or four years. Medium of instruction and examination will be English.
- 4. E.2. Teaching scheme of a subject, in general, has Lecture (L) with one credit per period per week, Tutorial (T) and Laboratory/ Drawing/Workshop (P) components with half credit per period per week. However, some of these components may not be present in some subjects.
- 4. E.3 Any change in syllabi (up to one unit of the existing) proposed by the course coordinator has to be approved by the Departmental Academic Committee (DAC). Proposing changes in the syllabi for more than a unit would be termed as Revision of syllabi. Such revisions and changes in courses and curricula proposed by the course coordinator and recommended by DAC shall have to be placed before the Senate for its approval.

4. E.4. The structure of B.Tech. Programmes shall have Essential Program Requirements (EPR), Programme Core (PC), Elective Courses (PE and OE) and Programme Laboratory Requirements (PLR) as shown in Annexure –III.
4. E.5. The curriculum of individual programmes includes industrial training for 4-6 weeks. Industrial training and/or fieldwork is to be satisfactorily completed before a student is declared eligible for the degree. The industrial training will be arranged during the summer vacation following the Fourth and sixth semester of studies. Attachment with an academic institution within the country (IISc/ IITs/NITs/IIITs and CFTIs) or university abroad is also permitted instead of industrial training. A report is to be submitted to the Head of the Department and evaluation for one credit in Fifth Semester and two credits in Seventh Semester will be based on the report, presentation and viva-voce examination.
4. E.6. A student may be allowed for a semester-long internship in industry/organization in Eighth Semester of the Programme provided the student has no backlog and he/she has received a pre-placement offer/offer of the internship from a reputed industry/organization. The student will be evaluated on the basis of a mid-semester evaluation, field evaluation report submitted by his/her supervisor belonging to the Industry/organization and report submitted by the student along with presentation and viva-voce in the department at the end of the semester. Attendance and the field evaluation report must be submitted with in the time frame to the Head of the Department. Such a student will have to successfully complete online courses/MOOCs approved by the DAC of the department as per the specified scheme (curriculum). Credits of such approved courses will be transferable for the calculation of SPI in the VIII Semester in the Institute.
4. E.7. Project work is scheduled during the VIIth(seventh) Semester of regular session of the respective B.Tech. Programme. In order to promote interdisciplinary culture, a team of maximum four students from various departments can be formed with the permission of the Heads of Departments concerned in the second year itself. The project guide/s for such projects shall be from one or more departments. Co-guide from industry or Institutes of National Repute is also permitted.

4. F. Credit Requirements

4. F.1. Institute follows semester-based credit system of study. The prominent features of the credit system are a process of continuous evaluation of a student's progress and flexibility to allow a student to progress at an optimum pace suited to his/her ability or convenience, subject to fulfilling minimum requirements for continuation. A student's progress is measured by the number of credits he/she has earned, i.e. completed satisfactorily. Based on the course credits and grades obtained by the student, Performance Index is calculated. A minimum Performance Index is required to be maintained for satisfactory progress and continuation in the program. Also a minimum number of earned credits and a minimum Performance Index should be acquired in order to qualify for the degree. Minimum earned credit requirements for the 4-year B. Tech. programmes shall be 173.
4. F.2. Basis of Credits will be $\{L+T+P/2\}$ where L, T and P are number of Lecture, Tutorial and Practical periods respectively. Credit in a course will be a full number and if it falls to be a fractional one then that will be considered as next higher full number. A candidate can earn all the credits allotted to a semester only when he/she passes the said semester.
4. F.3. The credits for the courses in which a student has 'E' (minimum passing grade for a course) or a higher grade will be counted as credits earned by him/her. Any course in which a student has obtained R, F or W grade will not be counted towards his/her earned credits.

4. G. Grading System

4. G.1. A letter grade, corresponding to specified number of grade points, is awarded in each course for which a student is registered. Based on the sum total of marks obtained in TA, MSE and ESE, he/she will be awarded a letter grade based on his/her relative performance (w.r.t. other students) in the class of that course. The academic performance of a student shall be graded on a ten point scale. On obtaining a pass grade, the student accumulates the course credits as earned credits. A student's performance is measured by the number of credits that he/she has earned and by the weighted Performance Index. A minimum number of credits should be acquired in order to qualify for a degree and continuation on semester basis.
4. G.2. The awards/grades are submitted in the Dean Academic office positively within the prescribed time limit as announced in the academic calendar after the End Term examination.
4. G.3. The grades to be awarded, corresponding grade points and the description of performance are listed below:

Grade	Grade Points	Performance
O	10	Outstanding
A	9	Excellent
B	8	Very Good
C	7	Good
D	6	Fair
E	5	Average
F	0	Fail
NA	--	Not Appeared in ESE
W	--	Withdrawal from the semester
R	--	Insufficient Attendance (to be repeated)
X	--	Debarred

The norms for the award of the letter grade are as follows:

- I. No student can be awarded E or better grade without securing at least 35% aggregate marks in any course, i.e. in (MSE+ESE+TA).
 - II. For award of E or better Grade, it is also mandatory that the student should secure at least 35% marks of the maximum marks awarded/scored in the End Semester examination in the course.
 - III. The class average is calculated by excluding the marks obtained by F grade students.
 - IV. Further, there shall be four transitional grading symbols, which can be used by the examiners to indicate the special position of a student in the subject.
NA: for "Incomplete assessment" due to non-appearance in an exam, if the student misses the End-semester examination.
R: for 'Insufficient attendance' in the course (that course is to be repeated).
W: for "Temporary withdrawal" from the Semester.
X: for "Debarred" on grounds of malpractices in examinations or indisciplinary behavior, etc.
4. G.4. An 'O' grade stands for outstanding achievement. The 'E' grade stands for average performance representing the minimum passing grade in any course.
4. G.5. The 'F' grade denotes failing in a course. A student has to repeat the courses in which he/she obtains 'F' grade, until a passing grade is obtained. 'F' grade may result in increased period of stay for completing degree requirements. No SPI will be awarded if a student has obtained one or more grade 'F' in a particular semester.

4. G.6. The student who remains absent (due to compelling reasons as mentioned in the clause 4.H.1-(iv)) in the end semester examination will be awarded 'NA' grade. When a student gets 'NA' grade for any subject(s) during a semester, the SPI of that semester and the CPI at the end of that semester will become zero until that particular course/semester is not cleared by the student. Such student must appear in the supplementary examination to convert the 'NA' grade to any pass grade. If such a student remains absent in the supplementary examination too then he/she will be awarded 'F' grade.
4. G.7. A 'W' grade is awarded in a course where the student has opted to withdraw from the semester. Withdrawal from a course is permitted until the commencement of the mid-semester examination.
4. G.8. The 'R' grade is awarded for insufficient attendance (as mentioned under section 4. I) and student has to repeat the course during the next year whenever it is offered or later as advised by the DAC.
4. G.9. The performance of a student is evaluated in terms of two indices, viz. the Semester Performance Index (SPI) which is the Performance Index for a semester and Cumulative Performance Index (CPI) which is the Performance Index for all the completed semesters, at any point of time. The SPI is calculated on the basis of grades obtained in all courses registered for the semester. The CPI is calculated on the basis of all pass grades obtained in all completed semesters. Both SPI and CPI will be taken up to the second place of decimal without rounding off and recorded as such.

$$SPI = \frac{\sum_{\text{courses.}}(\text{Course credit} \times \text{Grade point})}{\sum_{\text{courses.}}(\text{Course credit})}$$

$$CPI = \frac{\sum_{\text{All sem. completed}}(\text{Course credit} \times \text{Grade point}) \text{ in passed courses}}{\sum_{\text{All sem. completed}}(\text{Course credit}) \text{ in passed courses}}$$

4. G.10. The CPI, SPI and the grades obtained in all the subjects in a semester will be communicated to every student at the end of every semester except in final year, second semester (i.e. VIIIth semester of B. Tech. courses) through a grade sheet. In its place a consolidated grade sheet will be issued for final semester. This consolidated grade sheet supersedes all the earlier grade sheets.

4. H. Assessment Procedure

4. H.1. (i) The teacher's assessment would be carried out with Class tests, assignments, viva-voce, quizzes, laboratory assignments etc., being the constituent components of continuous assessment process, and a student must undergo the continuous assessment process as prescribed by the teacher/coordination committee of the subject. If due to any compelling reason (such as his/her illness, calamity in the family etc.) a student fails to meet any of the requirements within/on the scheduled date and time, the teacher/coordination committee in consultation with the concerned Head of the Department may take such steps (including the conduct of compensatory tests/examinations) as are deemed fit. In each semester, there shall be one mid semester exam (MSE), and one end semester exam (ESE) apart from surprise tests/quizzes/assignments. Students will be permitted to appear in the examinations in only those subjects for which they have registered at the beginning of the semester. The mid semester and supplementary examinations will be conducted by the Departments as per the schedule and guidelines provided by the Academic calendar. By the mid semester examination, minimum two units of the syllabus should be completed. End Semester examination is normally conducted centrally in the Institute.

(ii) If a student fails to appear for the mid semester examination in any subject(s) due to compelling reason like serious illness of himself/herself which necessitates hospitalization/bed rest (with

intimation to the institute medical officer) or a calamity in the family, he/she shall apply immediately to the Head of the Department, along with relevant certificates within one week after completion of the examinations. All such cases will be scrutinized by DAC and approved list of candidates shall be permitted for a re-examination and the period of re-examination and syllabus shall be notified by the respective Head of the Department.

(iii) Appearing in the end-semester examination in the theory and laboratory subjects is mandatory for a student. Unless exempted as stated below, if a student fails to appear for the end-semester examination, he/she shall be awarded 'F' grade in the subject. He/she can be permitted to appear for the Supplementary examinations to be conducted later, as announced in the academic calendar. In such cases, the student will be awarded only 'E' grade in-case the student gets more than 35 % marks in the Supplementary examination.

(iv) However, if a student misses the end-semester examinations due to a compelling reason like serious illness of himself/herself which necessitates hospitalization or a calamity in the family, he/she may appeal to the Dean-Academic before commencement of examination through his/her Head of the Department and Institute Medical Officer for permitting himself/herself to appear in the subsequent examination(s), when conducted next. DAC of that department may, after examining the documents and being convinced about the merit of the case, recommend permitting him/her to appear in the subsequent supplementary examination(s). In such cases, transitory grade 'NA' is temporarily awarded to the student in the subject.

(v) Summer Semester during Summer vacation may be conducted for those students of final year only who have been awarded F or R grades in the immediate preceding seventh and /or eighth semester supplementary examination. Such students must not have any back-log up to third year at the time of registering in Summer Semester.

4. H.2. The weightage assigned to various components of Teacher's assessment (TA) shall be announced by the concerned class teachers in the beginning of the semester. Each student, registered for a course, shall be awarded marks by the concerned teacher/faculty in-charge. The marks awarded to a student depend upon his/her performance in various examinations, laboratory works/ assignment etc. The marks awarded are to be used to award the relative letter grades, and grade point.

4. H.3. Assessment of Lecture Courses: The mid and end semester examinations are of 2 hours and 3 hours respectively. Review of question papers shall be done by the committee appointed at the departmental level. Result analysis shall be done at the Departmental Academic Committee (DAC) meeting and the same shall be reported to the Senate. The evaluation pattern for the theory courses shall be as under:

Sub-component	Weightage
TA: Class tests/ Quizzes/ Assignment/Tutorials, etc.	20 marks
Mid semester exam	30 marks
End semester exam	50 marks

4. H.4. Assessment of Laboratory Courses: The continuous assessment in a laboratory course in each semester shall be for 100 marks, with the following weightages:

Sub-component	Weightage
Continuous evaluation (TA)	40 marks
Mid-semester evaluation	20 marks
End Semester examination	40 marks

The marks for continuous evaluation may be distributed among various components like class work performance, Lab records, Quizzes, skill tests/assignments/mini projects and mid semester evaluation comprises of performance of the practical and viva-voce.

4. H.5. Project: Number of students assigned a project work should be restricted to a maximum of four. Head of each Department shall appoint a project coordinator who in consultation with the other faculty members will prepare a list of project topics to be given to the students at the beginning of 7th semester. The project evaluation for the B. Tech. Programme shall be carried out by a Project committee (PrC) comprising, the Head of the Department or his/her nominee (Chairman), project coordinator and the project guide/s. The allocation of projects, faculty guides and tentative plan of work are to be done before the last day of class of the 6th semester. A mid-semester assessment and end-semester assessment will be carried out for each Part by the project coordinator and supervisor/s. The students are to be continuously assessed on their initiative, interest, effort and regularity shown during the project work and in the preparation of the project report. The project work shall be evaluated for 100 marks, with the following weightages:

Sub-component	Weightage
Periodic evaluation by Guide (TA)	40 marks
Midterm review	20 marks
End Semester viva-voce examination	40 marks

If the performance of a student is not satisfactory, he/she can be awarded 'F' grade. Such a student will be given a maximum time of three months to improve his/her performance. If the performance of such a student is not satisfactory even after the extended time period, he/she will have to repeat the project work in the next academic year. The Departments have to evolve rubrics for evaluation of Project work. The marks may be distributed among various components like selection of topic, problem statement, literature review, methodology, oral and written presentation of the work done and performance in viva-voce examination. The final evaluation of the project work will be done at the end of second semester, final year. Any conduct on the part of students with regard to plagiarism (in project report or elsewhere) will be considered as indulgence in unethical means, and will invite strict disciplinary action.

4. H.6. (i) The final grades awarded to the students in a subject must be submitted by the teacher/Chairman, Project committee to the concerned Head of the Department. The Head of the Department shall place the grades of students in all subjects before the DAC for its consideration and recommendation. The grades recommended by the DAC shall be sent to the Examination section.

(ii) As a process of learning by students and also to ensure transparency, the answer scripts after correction of class tests, mid-semester examinations, assignments etc., will be shown to the students within the time-frame as mentioned in the Academic Calendar. The teacher/ Chairman, Coordination Committee must submit the marks obtained in mid semester examinations to the Head of the Department two weeks after the end of mid semester examinations. The marks obtained in class tests/ minor tests held till that date also need to be submitted to the Head of the Department. The performance of the students in these examinations will be discussed in the DAC.

(iv) In order to ensure transparency in the evaluation of scripts of end-semester examination, those answer scripts also shall be shown to the students up to one day before the finalization of grades. Once the Grades are finalized by DAC, the student will no longer have any right to verify his/her answer scripts. The student can appeal to DGC for any arbitration within one week from the date of official publication of interim results in the Institute Website.

4. H.7. A student of the B. Tech. degree program must complete the prescribed course work with a minimum requirement of 173 credits within a maximum period of seven years starting from registration of I year I Sem.
4. H.8 (i) A student is considered eligible for the award of Honors if she/he

- a) has passed minimum two extra theory subjects (approved by DAC) other than the stipulated ones. The extra theory subjects should comprise of minimum six and maximum eight credits over and above the minimum credit requirement of the concerned branch.
- b) has passed all the courses without securing R, X, F or W Grades during the period of study,
- c) has passed all the courses without dropping any courses in any semester and
- d) has passed securing a CPI of 8.5 and above.

If a department offers one or more courses beyond the minimum credit requirement, the same shall not be considered for award of honours.

(ii) A student is considered eligible for the award of First Division with Distinction if she/he has passed all the courses

- a) Without securing R, X, F or W Grades during the period of study,
- b) Without dropping any courses in any semester, and
- c) With a CPI of 8.5 and above.

(iii) A student failing to satisfy Rule 4. H.8 (I and ii), even if he/she gets a CPI of 8.5 or more will not be eligible for the award of Distinction and will be awarded First Division only.

(iv) A student with a CPI of 6.5 and above but less than 8.5 is considered eligible for the award of First Division.

(v) A student with a CPI of 5.0 and above but less than 6.5 is considered eligible for the award of Second Division.

4. H.9 The valued answer scripts shall be preserved for a maximum period of 12 (twelve) months after publication of results. The teachers are required to send the valued answer scripts of both mid semester and end semester examinations to the examination section to preserve them.

4. I. Attendance Requirement and Absence

4. I.1. Every student must attend all theory, tutorials and practical classes in the subjects in which she/he has registered at the beginning of the semester. However, to account for constraints/unavoidable circumstances, a condonation for the shortage of attendance up to 15 % can be granted by the DAC of the concerned department.

A short fall in attendance up to a further 10% can be condoned by the Dean of Academic Affairs under satisfactory reasons. In truly exceptional circumstances, the Director may relax attendance requirements with reduction of grade, one or two steps lower, as it may be thought appropriate and recommended by a committee constituted for the purpose.

4. I.2. Students not having minimum 75 %(including condonation) attendance in any course, shall not be permitted to appear for the end semester examination in that subject and is awarded "R" Grade in that course. Such student has to register for the course in which he/she has shortage of attendance, as and when the course is offered next.

4. I.3 If the period of absence is for a short duration (of not more than two weeks), application for leave shall have to be submitted to the Head of the Department concerned stating fully the reasons for the leave requested for along with supporting document(s). The Head of the Department will grant such leave. During such leave period, the student will be marked as absent. Even with this leave

applied, the student must satisfy at least 75 % attendance requirement to appear for end semester examination.

4. I.4. A student must inform the Dean (Academics) through Head of the Department immediately of any instance of continuous absence from classes.
4. I.5. The students will be informed of the status of attendance by the concerned course teacher at least twice in a semester. (to be listed under the duties of course coordinator/subject teacher).
4. I.6. A student representing the Institute in approved extracurricular activities such as Sports, Games, Cultural meets, Seminar, Workshop, Conference and Interview arranged through Training & Placement Department, NCC/ NSS Camps etc., shall be considered as on-duty subject to a maximum of **five days** in a semester. Prior permission from competent authority is required for availing on duty permission. The period of absence can be counted as 'present' for the computation of percentage of attendance at the end of semester.

4. J. Promotion

4. J.1. There are no restrictions for promotion to next semester. However, as per clause 4.D.11, a student can register for maximum of 30 credits in a semester. In case of backlog, the student must register in the backlog papers first, giving priority to the oldest backlogs. A student will be permitted to register for maximum of seven theory subjects in any semester including backlog papers.
4. J.2. Once a candidate has passed a semester examination, one shall NOT be permitted to reappear in that examination or part thereof with a purpose of improvement of performance in exam, such as, division, marks, grades etc.

4. K. Duration of the Programme

4. K.1. Normally a student has to complete all the requirements for B. Tech. Programmes in four years (eight semesters). Academically weak students who are unable to pass in some courses and have to repeat them in subsequent semesters or register for lesser number of courses in a semester on their own or as per the advice of the DAC, shall be permitted to complete all the requirements of the degree in maximum 14 consecutive semesters (seven years). The same holds equally for students who have requested and been granted temporary withdrawal.

4. L. Eligibility for the Award of the Degree

4. L.1. A candidate shall be eligible for the award of the degree of the Bachelor of Technology (B.Tech.) only if the candidate:
 - i) Has undergone the prescribed programme of study (by registering and crediting all core, professional and Open elective subjects),
 - ii) Has earned the minimum total number of credits specified in the curriculum of the relevant programme of study,
 - iii) Has obtained prescribed CPI of 5.0 or above within specified maximum permissible duration,
 - iv) Has no dues to the Institution, Library, Hostels, etc.,
 - v) Has no disciplinary action pending against him/her.

4. M. Temporary Withdrawal from a semester

- 4. M.1. A student who is unable to attend classes for more than four weeks (twenty teaching days) in a Semester, may apply to the Dean, Academics through Convener, DAC, for withdrawal from the Semester along with supporting documents, which shall mean withdrawal from all the registered courses in the Semester. Dean Academics shall put-up such cases with his recommendations to Chairman Senate for approval, decision of the Director & Chairman Senate will be final. For Application for semester withdrawal must be made as early as possible and latest one week before the start of the End Semester Examination.
- 4. M.2. Partial withdrawal from the semester shall not be allowed.
- 4. M.3 Any application on medical grounds shall be accompanied with a medical certificate from the institute Medical Officer. A certificate from a registered medical practitioner containing the registration number may also be accepted in those cases where a student is normally residing off campus or becomes ill while away from the Institute.
- 4. M.4. A student will be permitted for semester withdrawal only twice in the entire duration of his programme.
- 4.M.5. Such a student will be awarded 'W' grade in all subjects in the semester in which temporary withdrawal is made. Such a student will have to pay semester admission and institute fee for the semester in which temporary withdrawal is made.

4. N. Faculty Advisor

- 4. N.1. To help the students in planning their courses of study and to render general advice regarding either the academic programme or any other activity, the Head of the Department concerned, will assign every year, a certain number of students from the first year to a faculty member who will be called Faculty Adviser. The set of students thus assigned will continue to be under the guidance of this Faculty Adviser till they complete the programme or replaced by the HOD.

4. O. Course Evaluation by the students (Feedback)

- 4. O.1 Every course run in a semester is evaluated on the basis of feedback received from the students registered in that course. During the last week of a semester, the students shall give their feedback on the courses studied by them during the semester. The feedback system shall be computerized and coordinated by the MIS personnel. The compiled feedback reports shall be forwarded by the MIS personnel to the concerned Head of the Department who will scrutinize the same and may take appropriate steps to enhance the quality of teaching of the courses. If the feedback belongs to a subject handled by the Head of the Department, then the same shall be scrutinized by the Dean (Academics). Results will be withheld for those students who have not submitted the feedback.

4.P. Credit Transfer and Online (MOOC) courses

- 4.P.1. Within the broad framework of these regulations, Dean Academics on the recommendation of the concerned DAC may permit students to earn part of the credit requirements in other institutes of repute and status in the country or abroad.

- 4.P.2 Student can register for online (MOOC) courses against an elective (PE and/or OE) as per the approved Scheme of the programme based on the recommendation of DAC and approval of the Head of the Department. Credits will be earned only when such courses are of minimum 40 hours' duration and are evaluated by the agency offering the online course. Corresponding institute grades will be decided by the DAC. The Online (MOOC) courses must be from renowned sources and recognized by the respective DAC.
- 4.P.3 In case the an online course is not evaluated(no grading provided) or the grading provided cannot be mapped as per clause 4.G.3, the students will have to appear in examination conducted by the department for evaluation. The DAC will appoint a faculty to guide and evaluate such student.

4.Q Permanent Withdrawal

Once the admission for the year is closed, the following conditions govern for permanent withdrawal of admissions:

- 4.Q.1 A student, who wants to leave the Institute for good, will be permitted to do so, only after clearing all the dues, if any. Also, all the fees and charges already paid by him/her will not be refunded on any account.
- 4.Q.2 Those students who have received any scholarship, stipend or other forms of assistance from the Institute shall repay all such amounts.
- 4.Q.3 The decision of the Director and Chairman, Senate regarding all aspects of withdrawal of a student shall be final and binding.

4.R Change of Branch

A student admitted to a particular branch of the B. Tech. programmes will normally continue studying in that branch till completion of degree. However, the Institute may permit a student admitted as per guidelines of MHRD, Govt. of India, to change branch at the end of the first two semesters, provided vacancies exist in such branches. Rules for change of branch is given in Annexure-I.

4.S Rules to Deal with Academic Malpractices and Misconduct

- 4.S.1 Every student of the institute is expected to maintain highest level of integrity and honesty in academics befitting the student of an institute of national importance. Rules to deal with unfair means (UFM) adopted by a student is given in Annexure –IV.
- 4.S.2 Any misconduct not related to academics or not covered under UFM rules, will be dealt by the institute and the corresponding punishment pertaining to academics will be binding on the student.

4.T Power to Modify

- 4.T.1 Notwithstanding all that has been stated above, the senate of the institute, has the right to modify any or all the above rules and regulations from time to time.
- 4.T.2 In emergency situations, the Director in capacity of the Chairman Senate, can exercise powers of the Senate and discharge the functions of the Senate. Such decisions must be reported to the Senate in its next meeting.

-xXx-

REGULATIONS FOR CHANGE OF BRANCH AFTER SECOND SEMESTER

1. Student admitted to a particular branch of the B. Tech. course will normally continue studying in that branch till completion. However, in special cases the Institute may permit a student, admitted through JEE Main to change from one branch to another after the first two semesters. Such changes will be permitted, strictly in accordance with provisions laid down hereafter.
2. Only those students will be eligible for consideration for change of branch after the second semester, who have-
 - a. Completed all the credits prescribed in the first two semesters.
 - b. Obtained a CGPA/CPI of not less than **7.5** at the end of second semester in one single attempt only.
3. Repeaters are not eligible to take part in this process.
4. Depending on the vacancies Dean, Academic Affairs may issue a notification inviting application for change of branch from the intending eligible students.
5. Change of branch shall be made strictly on the basis of inter se merit of the applicants. For this purpose CPI obtained in second semester by the applicant shall be considered. Ties will be resolved by the AI rank of the applicants in JEE Main.
6. As prescribed in the scheme of studies of Ist & IInd Semester, if a student belonging (say) 'X' branch slides (say) to 'Y' branch, then he/she will have to register in all those branch-specific Basic Engineering subjects which were offered to his counter parts in 'Y' branch in their first year. This is necessary for a student whose branch has been changed to complete the requirement for branch 'Y'. In doing so, a slided student can register for at the most two subjects (as per the requirement) offered in first year of branch 'Y' in the 3rd semester of his changed (slided) branch. In case, the students has to register for three additional subjects, he/she shall register for two subjects in third semester and shall register for the third subject in fourth semester compulsorily. For such cases, the maximum credit limit per semester for 3rd and 4th will be 34 credits. For such subjects, the students have to secure E or higher grade, and the same won't be considered for calculation of CPI, SPI or determining eligibility for B.Tech (Hons.) and B.Tech with distinction.
7. The applicants may be allowed a change of branch, strictly in the order of merit, subject to the condition that the student strength in a particular branch from which transfer is made, does not fall below 60% of the sanctioned strength.
8. **If a student is denied change of branch due to above reason, no other student with lesser CPI should be permitted for change of Branch.**
9. All changes of branch made in accordance with the above rules will be effective from the third semester of the applicants concerned. No change of branch shall be permitted thereafter.
10. All changes of branch will be final and binding on the applicants. No student will be permitted under any circumstances to refuse the change of branch offered.

CONSTITUTION & FUNCTIONING OF DEPARTMENTAL ACADEMIC COMMITTEE (DAC)

CONSTITUTION

Chairperson	- Ex officio Head of the department
Convener	- Any faculty member of department nominated by Chairperson
Member	<ul style="list-style-type: none"> i) Three faculty members of the department preferably senior faculty of the department. ii) One faculty member from outside the department.
Student Member	- One student from pre final year with good academic record.
External Member	- One from other NIT/IIT/IISC/ISI/Reputed Institute and one from Field/Industry

- Members from the department may be less than three, in case three faculty members are not available in the department.
- All the members of the committee will be nominated by the head of the department in consultation with the faculty members.
- Chairperson may invite any other faculty member in a particular meeting as a invitee member, if need rises.
- In a meeting, where matter is related to PG course, one senior faculty member of the concerned specialization should be called in the meeting as a invitee member.
- Two separate panels of external members should be prepared, one from academic institute & others from field/industries. Any one member from each of these panels may be called as per need.
- External members will only be called in case of introduction/removal/modification of the courses and development of the course.
- Students may not be allowed in a meeting of confidential nature.

QUORUM

Convener and Chairperson of DAC will make every efforts so that all members attend the meeting. However, to hold the meeting quorum will be 2/3rd of due members.

FUNCTIONS

1. To monitor the conduct of all courses of the department including PG courses (if any).
2. To ensure & suggest suitable measures for academic excellence of the courses offered by the department.
3. To develop the curriculum (syllabus, scheme) for the UG and PG courses offered by the department and recommend the same to the Senate. To propose modification in the existing ordinance, if necessary.
4. To propose new courses or closer of existing courses.
5. To recommend the semester result to Dean(Academic) for declaration.
6. To take up any responsibility or function assigned by the senate.

7. Committee may recommend any academic matter for its inclusion in the senate meeting.
8. To obtain feedback of the performance appraisal of the course instructor from the students in the prescribed format.

TENURE OF THE COMMITTEE

The tenure of members will be of two years.

DUTIES/RESPONSIBILITIES OF THE CHAIRPERSON

1. To nominate convener and all members of the committee and send the names to Dean (Academic).
2. To ensure that the meeting of the committee is called regularly and recommendation of the committee are complied with after approval of competent authority.

DUTIES/RESPONSIBILITIES OF THE CONVENER

1. To call the meeting at least once in a calendar month and whenever necessity arises.
2. To call the meeting immediately after the semester result is prepared for recommending it for declaration.
3. To document the minutes of the meeting and communicate recommendations to Dean (Academic) through Chairperson.

CONSTITUTION & FUNCTIONING OF DEPARTMENTAL GRIEVANCE COMMITTEE (DGC)

Applicable for all degree awarding departments

CONSTITUTION

Chairperson	- Ex officio Head of the department
Convener	- Convener of DAC will be the convener of Grievance Committee
Member	i) Three faculty members of the department who are member of DAC from department. ii) One faculty member from outside the department, who is member of DAC.

- Members from the department may be less than three, in case three faculty members are not available in the department.
- All the members of the committee will be nominated by the head of the department in consultation with the faculty members.
- Chairperson may invite any other faculty member in a particular meeting as a invitee member, if need rises.
- In a meeting, where matter is related to PG course, one senior faculty member of the concerned specialization should be called in the meeting as a invitee member.

QUORUM

Convener and Chairperson of Grievances Committee will make every efforts so that all members attend the meeting. However, to hold the meeting quorum will be 2/3rd of due members.

FUNCTIONS

1. To receive issues and grievances/complaints in writing from the students regarding shortage of attendance, admission, detention, examination and other academic activities and make recommendation suitably.
2. To receive grievances/complaints in writing from the students regarding anomaly in award of marks/grades due to bias, victimization erratic evaluation etc. and redress the complaints.
3. To interact with the concerned course teacher/question paper setter and student separately in the case of complaints as mentioned in point no. 2 above. Finally suitable recommendation shall be

TENURE OF THE COMMITTEE

The tenure of members will be of two years.

DUTIES/RESPONSIBILITIES OF THE CHAIRPERSON

1. To nominate convener and all members of the committee and send the names to Dean (Academic).
2. To ensure that the meeting of the committee is called regularly and recommendation of the committee are complied with after approval of competent authority.

DUTIES/RESPONSIBILITIES OF THE CONVENER

1. To call the meeting whenever necessity arises.
2. To document the minutes of the meeting and communicate recommendations to Dean (Academic) through Chairperson.

Program Structure

The structure of B.Tech. Programmes shall have Essential Program Requirements (EPR), Programme Core (PC), Elective Courses (PE and OE) and Programme Laboratory Requirements (PLR) as follows:

Essential Program Requirements:

S. No.	Course Name	No. of Courses	Max. Credits
1.	Mathematics	4	16
2.	Physics*	2	8
3.	Chemistry*	1	4
4.	Professional Ethics/Value Education	1	1
5.	Communication Skills	1	4
6.	Ecology and Environment*	1	4
7.	Engineering Practice [#]	1	2
8.	Basic Engineering* [#]	3	12
9.	Computer Courses*	1	4
10.	<i>Training/Internship</i>	2	3
11.	<i>Project work</i>	1	4
12.	<i>Extra Academic Activity</i>	2	1
	Total	15 (Excluding S. No. 10, 11 and 12)	63

* Including Lab

Branch Specific

Programme Core Requirements (PCR):

Number of Core courses: 17 (Minimum)

Number of credits: 68

Elective Course Requirements:

Number of Programme electives (PE): 6 (Minimum)

Number of Credits for Programme Electives: 18

Number of Open electives (OE): 5 (Minimum)

Number of Credits for Open Electives: 15

Programme Laboratory Requirements (PLR):

Number of Programme Laboratories: 9 (Minimum)

Number of Credits: 9

The above distribution of the EPR, PCR, PE, OE and PLR can be modified with the approval of the Senate.

PROCESS AND REGULATIONS FOR UNFAIR MEANS CASES

Standard operating procedure for dealing with cases of unfair means:-

A candidate found guilty of any of the following offences shall be deemed to have used unfair means and his/her examination result shall be withheld. The UFM Committee appointed by the Institute shall after giving a personal hearing recommend the penalty, if any, to be imposed on the candidate. If the candidate fails to turn up before the committee for personal hearing, the committee shall be entitled to decide the case on basis of record and recommend penalty, if any, to be imposed without giving any further opportunity of hearing.

Formation of UFM Committee:

There will be four members in UFM committee including chairperson. Chairperson and Members will be recommended by the Prof (I/c) Examinations and Dean Academics and approved by the Director. Term for the chairperson and member will be for two years. Director may change or increase the term of any member of the committee.

(a) Procedure for booking of cases of use of Unfair Means at the examination centre:

1. Issuance of Second Answer Sheet. As soon as any case of unfair means comes to the notice of the Superintendent/ Invigilator of the examination center he/she shall take possession of the Answer Sheet of the candidate along with paper or other material found in his/her possession and provide the candidate with a second Answer Sheet immediately. On the top of the Answer Sheet it should be super scribed "Second Answer Sheet". The Superintendent shall record on the first Answer Sheet the time when the case was brought to his/her notice. He/She shall also record the time on the second Answer Sheet when it was issued to the candidate.
2. Explanation of the Candidate. While issuing the second Answer Sheet the candidate shall be asked by the Centre Superintendent to submit his/her explanation in writing. In case the candidate refuses to give his/her statement, he/she should not be forced to do so, only the fact of his/her refusal should be recorded by the Invigilator/s on duty at the time of occurrence and such a statement of the Invigilator/s be attested by the Centre Superintendent.
3. Statement of the Invigilator. The Invigilator, who detects the use of UFM by a candidate, shall also record his/her statement which shall be verified and signed by the Centre Superintendent. The statement of invigilator should clearly indicate the details of incident.
4. Material found from the candidate. As far as possible precise information as to from where the material was found (in the pocket, desk, shoes etc.) should be mentioned in the statement of the Invigilator/s. The copying material so detected by an Invigilator should also be signed

by the Invigilator and countersigned by the Centre Superintendent on each page and the total number of pages detected should be mentioned on the title of the Answer Sheet duly signed by the Invigilator and Centre Superintendent.

5. Procedure to be followed in case of smuggling out an Answer Sheet. In case a candidate has smuggled out an answer Sheet, the Centre Superintendent should call for the candidate directly and try to secure the Answer Sheet. In case of non-availability of the Answer Sheet, the matter should be reported to the police and a copy of the FIR be sent to the office of Controller of Examination along with the statement of the Invigilator present in the room and also of the candidate. The statement of the peon/police constable etc., if any, should also be forwarded.

6. Other Cases of Unfair Means
 - a) Impersonation. In case of impersonation, the Centre Superintendent should send to the Controller of Examination, the statement of the person found to be impersonating, the Invigilator/s and the real candidate, if possible. He/She may also report the matter to the police and shall arrange for taking photographs of the impersonator from 3 angles (front and two sides, left and right) and send along with the case.

 - b) Misconduct. In case of misconduct by a student, the punishment / penalty will become serious. In case of misconduct of a serious nature, the matter should be reported to the police, if necessary. Statement of the Invigilator/s and that of the peon/policeman concerned may be obtained and sent to the office of the Controller of Examination.

7. Documents Required to be Sent in UFM Cases. All cases of UFM should be recorded in the prescribed form for reporting UFM cases as given in Annexure - A. The form shall be accompanied by the following documents:-
 - a) First and/or second Answer Sheets

 - b) Explanation of the candidate

 - c) Statement of the Invigilator

 - d) Incriminating material found from the student

8. Submission of Unfair means cases. A separate sealed cover should be sent to the office of Controller of Examination along with the prescribed Performa in each case booked daily under UFM with a covering Performa generated by MIS.

List of penalties for different types of cases under UFM.

Category of offence	Offence(s)	Penalty
A	Recovered material not related to the subject or found writing something on the question paper,	Issue of warning not to repeat the same
B	<p>Relevant material written by the candidate on any part of body, wall, door of the room, table/ desk, other devices used by the candidate.</p> <p>OR</p> <p>Recovered matter related to the subject found on person of the candidate whether used or not used for writing answer(s)</p> <p>OR</p> <p>The candidate is copying from copy of other candidate and/or helping others to copy</p> <p>OR</p> <p>Carrying electronic gadgets in the examination hall which are not explicitly allowed</p> <p>OR</p> <p>Candidate is caught with a material which he/she has chewed or swallowed or torn into pieces and the candidate refuses to sign the documents</p> <p>OR</p> <p>Replacement of Answer Sheet, exchange of Answer Sheet with other student, addition of extra pages in the Answer Sheet, smuggling of Answer Sheet/pages,</p>	<p>Award of F grade in the concerned paper of current examination.</p> <p>If the current examination happens to be the supplementary exam then F grade will imply R grade.</p>
C	Manhandling with staff on duty or creating disturbance in the examination hall/center.	Award of F grade in all the subjects in the current examination. If the current examination happens to be the supplementary exam then F grade will imply R grade.
D	<p>Carrying the answer sheet away from the examination hall.</p> <p>OR</p>	Award of R grade in all the subjects in the current examination and debarring for immediate next semester from academic activities. The period for which the student

	Impersonation	is debarred, would be considered for calculating the maximum stipulated time (seven years) for completing the program.
E	Two times indulgence in UFM as per category B, C and D above.	Award of R grade in all the subjects in the current examination and debarring for immediate next semester from academic activities. The period for which the student is debarred, would be considered for calculating the maximum stipulated time (seven years) for completing the program.
F	More than two times indulgence in UFM as per category B,C and D above.	Award of R grade in all the subjects in the current examination and debarring from the Institute for a period of one and a half years. The period for which the student is debarred, would be considered for calculating the maximum stipulated time (seven years) for completing the program.

Aggrieved by the decision of the Standing Committee on Unfair Means Cases, a candidate may make a representation addressed to the Director along with the prescribed fee of Rs. 5000/- for reconsideration of his/her case. The Director may refer the matter to the Appellate Committee to be constituted for the purpose for reconsideration. The decision of the Appellate Committee once approved by the Director shall be final and binding on the candidate.

IMPORTANT NOTES:

- I. The fact that a particular roll no. was booked as UMC should be recorded daily in the attendance sheet as well as in the statement for dispatch of Answer Sheet to the Controller of Examination through MIS.
- II. Candidates found using any of the UFM are not to be debarred from appearing in the remaining papers.
- III. Candidates can be physically searched by the Centre Superintendent / Invigilators / Member of the team of Observers deputed by Examination Division before or during the examination at any time except that a female candidate should be searched by a female member only.

- IV. Normally when a candidate goes out to toilet the invigilators must ensure that the Answer Sheet and Question Paper of the candidate has been left behind on his/her seat in the examination hall.
- V. At the end of the examination no candidate should be allowed to leave the room till all the scripts are collected, counted and found correct. If a candidate forces his/her way out with the answer script, the complete statement explaining the circumstances under which the candidate has left with the script should be made out. In no case this provision should be used to cover up the loss of Answer Sheet. The statement should also contain the time of the incident and details of the case as to how the candidate took away the Answer Sheet as also efforts made to recover the Answer Sheet.

-xXx-
