

COMMUNITY RESPONSIBILITY:-

The security wing will continue to develop and implement security measures, but these measures cannot succeed without the personal support of faculty, staff and students. The NITRR security wing is committed to providing quality of security & fire safety service and protection to the campus community while working within the framework of institute policy, procedure, instruction, orders and resources. The NITRR Campus Community members are encouraged to contact/inform Campus security staff as soon as they are observed or detected any crimes, any anti-social activity, anti-social-elements and anti-social person and ragging in the institute campus. The security & safety of members of the institute community is of vital concern of the institute Administration and especially the Campus security wing. However, students, faculty and staff must actively accept their responsibility for doing their part to maintain a safe environment. All members of the campus community have a responsibility to themselves and to others to use due care for their safety and to comply with all law & order and the institutes policy, rules, regulation, instruction and orders for the protection of others. Failure to take precautions or maintain an awareness of the environment and surroundings may result in increased crimes.
