The enigma and charm of Culture has amalgamated thoughts, imagination and people, we at NIT Raipur are nourishing this by SANSKRITI – the Cultural Committee as we know. Round the year we knit the beads of our carol in patriotism as in Republic Day and in Independence Day. Our real steel in Engineers Day, future memories in alumni meet and the much awaited ECLECTIKA -the annual fest. This fills us with the inevitable enthusiasm needed along with academics.

### Independence Day

Date of event: 15/08/17

One hour cultural program including dance, singing and some other performances.

### Engineer's Day

Date of event: 15/09/17

Date of workshop:

Design & Art workshop by Aakriti Verma

## Eclectika

Date of event: 23/02/18-25/02/18

Annual Cultural fest.

Eclectika , the cultural festival of NIT Raipur is widely renowned as the largest fest in central India. With a participation roster exceeding over 1 hundred colleges across the academic demographic of India, Eclectika is a glorious rendition of the ideals of innovation, conception and determination to achieve high heights of success, and is a phenomenal platform to nurture and inspire talent, while uniting a wide and diverse participation pool under a single banner.

We have seen artists such as Mohit Chauhan, Sachin, Jigar and many more names to follow. Eclectika has been a home to more than 50 different events during the three days, main attraction being our 6 mega events, EDM nite, pronite and the cultnite.
