National Cadet Corps (NCC): (Army wing & Naval Wing only) The Institute offers training under the Army Wing and Naval wing of the National Cadet Corps. The Institute has a total number of 121 cadets with 100 boys and 21 girls. Parades and theory classes are held during the morning session on Saturdays and Sundays.

The regular parades include training in drill, map reading, weapon training, obstacle etc. It also includes parades for firing, social service and adventure.

The adventure activities are parasailing, horse riding, rock climbing, firing, mountaineering, cycle expedition, motorcycle expedition, trekking etc.

Certificates

- After two years of training – ‘B’ Certificate
- After three years of training – ‘C’ Certificate

Use of B & C: C certificate holders can directly join the Defense forces as officers. Preference is given to B & C certificate holders in Defense Services, Police services, Para-Military forces, Fire forces, BSF, Territorial Army, Industrial Security Forces, Public Sectors, and all uniform services.

- 60 Engineering Seats, 16 Medical

Seats, 6-7% of Post Graduation seats are reserved for NCC cadets in all Indian Universities.

- The Units prepare them for taking up the higher NCC Certificate Examinations. The Cadets are given opportunities for attachment with regular Army or Navy Units (as the case may be) for specialized training and actual experience of field conditions. NCC Cadets are also groomed for assisting the administration in the proper and orderly conduct of special events and in relief work in civic emergencies. The Units also organized brief program on Republic and Independence Day Celebrations, and on special occasions such as the NCC day, to provide vignettes of the actual field operations of the Defense Forces.
