**Master of Technology (Urban Planning)
Semester-IV**

1.	Department proposing the course	Architecture and Planning
2.	Course Title	Dissertation
3.	L-T-P Structure	0-0-32
4.	Credits/# of period	16
5.	Course Syllabus: The students shall continue work on the thesis topic already finalized in the previous semester. They shall complete stages of data collection, data analysis, issues identification, impact assessment and formulation of strategies/proposals, etc. as applicable. The progress of the work throughout the semester shall be continuously assessed by reviews as scheduled by the Department. The overall progress of the work is to be submitted in the form of a 'Dissertation Report' in the format as declared by the Department time-to-time. The final evaluation of dissertation shall be done in the form of viva-voce examination by a viva-voce board comprising of internal examiner(s) and an External Examiner (for approximately 10 students), invited by the Department from other academic institutes of repute and/or industry.
