The work done by the students should be worthy enough to prove the duration of computer applications project as six months. The certificate of the company must specify the duration of at least 5 months.

The Project should be based on application of technical knowledge for attempting to solve live problems. Students undergone for project have to send the confirmation letter from the company within 15 days of joining. This letter will consist of information regarding Company name, Guide Name, Project Title, Project start date etc. Progress report for every month should be sent to the department during 6 months of Project work. The students will have to deliver a very formal seminar in the form of Power Point Presentation and 2 copies of Project Report are to be submitted. Preferably independent work should be carried out by each student.
