

राष्ट्रीय प्रौद्योगिकी संस्थान
NATIONAL INSTITUTE OF TECHNOLOGY RAIPUR
(An Institute of National Importance)

DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES
मानविकी और सामाजिक विज्ञान विभाग

The Department undertakes a plethora of teaching and research endeavors in the subject areas (Core and Allied) of English literature, Linguistics, Sociology, Management, Sustainability and Consumer Psychology, Yoga and Health, Value Education.

Largely it helps to:

- Develop Verbal and non-verbal communication skills and conceptualize the neuro-cognitive aspects of language.
- Assimilate and Practice Higher Order Managerial Decision-Making Skills.
- Learn and practice Yoga for healthy and sound living.
- To develop the ability to understand "coexistence-based living" through Value Education.

Facilities:

- The dept. helps Undergraduates enhance communicative capabilities via learning and interactive ambience. (**Software enabled Language Labs**)
- Elaborative and variety of Open electives helps students learn Management case-study development, sociological aptitude and value driven professional careers.
- With the help of Yoga and counselling sessions, the dept entrusts wellbeing (physical & mental) of individuals. (**Yoga Hall, Yogic Kriyas and Counselling Cell**)

Collaborative Endeavors

Chalking its path in research arenas, the dept. undertakes projects sponsored by Public & Private sector undertakings. The research orientation of these projects aligns itself with emerging and important educational, market based, societal and wellness-based problems.
