**Department of Mechanical Engineering NIT Raipur Hosts Expert Lecture on “Steel Manufacturing Process and Current Technological Advancements”**

**NIT Raipur, January 29, 2025:** The Department of Mechanical Engineering at the National Institute of Technology (NIT) Raipur is organized an Industrial Expert Lecture under the Industry Institute Collaboration Cell (IICC) on January 29, 2025.

Mr. Himanshu Verma, Manager, Bhilai Steel Plant, gave an expert talk on the Steel Manufacturing Process and Recent Technological Advancements. The students learned more about how the industry works and what innovative techniques are being used.

This program shows NIT Raipur's dedication to improving industry academia collaboration and providing students with knowledge that extends beyond traditional textbooks. The session was an informative and useful experience for all participants.
