Date : 14 / 03 /2022

## // NOTICE //

As different Academic calendars are being followed currently for different semesters due to the pandemic which has resulted in staggered academic activities, viz., admissions and exams, etc. The Institute in the mean time has carried out the survey among 4<sup>th</sup>, 6<sup>th</sup> and 8<sup>th</sup> semesters B.Tech, B.Arch and 2<sup>nd</sup>, 4<sup>th</sup> semesters MCA and 2<sup>nd</sup> semester M.Tech. for conducting offline classes and accordingly many 4<sup>th</sup> semester students shall be attending the classes in offline mode from 21.03.2022.

The Institute is planning to resume all the academic, co-curricular and extra-curricular activities from the coming (next) semester for all the students in offline mode only. The tentative dates of important activities, for different semesters are as follows:

### 1. Current 1<sup>st</sup> Semester B.Tech and B.Arch.

- commencement of classes in offline mode from 25/04/2022 with provisional registration to 2<sup>nd</sup> semester B. Tech and B. Arch to all the students.

### 2. Current 4<sup>th</sup> Semester B.Tech, B.Arch / 2<sup>nd</sup> M. Tech / 2<sup>nd</sup> and 4<sup>th</sup> semesters MCA

- commencement of summer vacation from 10/06/2022.
- commencement of registration in V sem B.Tech, B.Arch and MCA in person from 18/07/2022 to 20/07/2022.

*Note: During the vacation period B. Tech students must undergo Industrial visit/training in consultation with T&P Coordinator of their department. The visit/ training can be either online or offline mode. (Annexure- I)*

- commencement of classes of V semester B.Tech, B.Arch, MCA in offline mode from 21/07/2022.

### 3. 6<sup>th</sup> Semester B.Tech and B.Arch:

- commencement of summer vacation from 16/05/2022 (As per academic calendar)
- commencement of registration in VII semester B.Tech and B.Arch from 18/07/2022 to 20/07/2022.

*Note:- during the vacation period B.Tech students must undergo Industrial training in consultation with T&P coordinator of their department. This industrial training can be either online or offline (please refer annexure –I for details).*

**c. commencement of classes in offline mode from 21/07/2022.**

Filling up the Feedback form online is mandatory for all the above students the duration for this activity is mentioned in the respective academic calendars. In case a student fails to submit the Feedback during the said period then his result can be withheld.

The detailed academic calendar of next semester shall be issued shortly.

## Annexure-I

The B. Tech. 4th semester (CBCS) and 6th Semester (NIT) students, who (as per the scheme of studies of CBCS and NIT ordinance) have to undergo Industrial Visit/Training during the summer 2022 after their respective spring 4th and 6th semester examinations. These students can carry their Industrial Visit/Training either in the online mode or in the offline mode as per their convenience. However, it would be advisable for students not to attend the Visit/Training in person (offline mode) at places where number of reported cases of COVID-19 are large. The schedule for Industrial Visit/Training is given in the below table:

Course	Semester	Dates for Visit/Training
B. Tech.	4 <sup>th</sup>	14th June 2022 to 17th July 2022
B. Tech.	6 <sup>th</sup>	16th May 2022 to 17th July 2022

### Procedure of attending Industrial Visit/Training

The students should be asked to obtain permission from Head/Faculty I/c Training to opt for such Internship/Course beforehand. The evaluation of these Internship/courses will be as per prevailing practice, i.e., on the basis of students submitting a written report followed by Seminar and/or viva-voce in the upcoming 5th and 7th semester.

Please note that the list of courses/industries should be approved by HoD Faculty or I/c Training. The Internship/ Training must be completed within the stipulated period of summer vacation as mentioned in the table above.

### For online mode of Industrial Visit/Training

1. The Head of the Departments/Faculty I/c Training will be sharing the suitable ONLINE Internship/Industrial Training programs which may be available with web-portals like '<https://internshala.com/>', '<https://spoken-tutorial.org/>', Institutes (NITs/IITs etc.) offering online internships etc. to students.
2. Students can also take relevant courses available on various online platforms like SWYAM, NPTEL lecture, NPTEL-SWYAM to augment their knowledge with the consultation of Head of the Departments/Faculty I/c Training.
